

§61.17

(b) Initially, carriers that currently have tariffs on file with the commission must file a Base Document within five days of the initiation of mandatory electronic filing.

(c) Subsequently, if there have been revisions that became effective up to and including the last day of the preceding month, a new Base Document must be submitted within the first five business days of the current month that will incorporate those revisions.

§61.17 Method of filing applications for special permission.

(a) An application for special permission filed electronically must be addressed to "Secretary, Federal Communications Commission, Washington, DC 20554." The Electronic Tariff Filing System will accept filings 24 hours a day, seven days a week. The official filing date of a publication received by the Electronic Tariff Filing System will be determined by the date and time the transmission ends. If the transmission ends after the close of a business day, as that term is defined in §1.4(e)(2) of this chapter, the filing will be date and time stamped as of the opening of the next business day.

(b) In addition, except for issuing carriers filing tariffing fees electronically, for special permission applications requiring fees as set forth in part 1, subpart G of this chapter, issuing carriers must submit the original of the application letter (without attachments), FCC Form 159, and the appropriate fee to the Mellon Bank, Pittsburgh, PA, at the address set forth in §1.1105 of this chapter. Issuing carriers submitting tariffing fees electronically should submit a copy of the Form 159 and the original application letter to the Secretary of the Commission in lieu of the Mellon Bank. The Form 159 should display the Electronic Audit Code in the box in the upper left hand corner marked "reserved". Issuing carriers should submit these fee materials on the same day as the transmission in paragraph (a) of this section.

(c) In addition, if a carrier applies for special permission to revise joint tariffs, the application must state that it is filed on behalf of all carriers participating in the affected service. Applications must be numbered consecutively

Subpart C—General Rules for Nondominant Carriers

§61.18 Scope.

The rules in this subpart apply to all nondominant carriers.

[64 FR 46587, Aug. 26, 1999]

§61.19 Detariffing of international and interstate, domestic interexchange services.

(a) Except as otherwise provided in paragraphs (b) through (e) of this section, or by Commission order, carriers that are nondominant in the provision of international and interstate, domestic interexchange services shall not file tariffs for such services.

(b) Carriers that are nondominant in the provision of international and domestic, interstate, interexchange services are permitted to file tariffs for dial-around 1+ services. For the purposes of this paragraph, dial-around 1+ calls are those calls made by accessing the interexchange carrier through the use of that carrier's carrier access code.

(c) Carriers that are nondominant in the provision of international and domestic, interstate, interexchange services are permitted to file a tariff for such services applicable to those customers who contact the local exchange carrier to designate an interexchange carrier or to initiate a change with respect to their primary interexchange carrier. Such tariff will enable the

interexchange carrier to provide service to the customer until the interexchange carrier and the customer consummate a written agreement, but in no event shall the interexchange carrier provide service to its customer pursuant to such tariff for more than 45 days.

(d) Carriers that are nondominant in the provision of international inbound collect calls to the United States are permitted to file a tariff for such services.

(e) Carriers that are nondominant in the provision of "on-demand" Mobile Satellite Services are permitted to file a tariff for such services applicable to those customers that have not entered into pre-existing service contracts designating a specific provider for such services.

§ 61.20 Method of filing publications.

(a) Publications sent for filing must be addressed to "Secretary, Federal Communications Commission, Washington, DC 20554." The date on which the publication is received by the Secretary of the Commission (or the Mail Room where submitted by mail) is considered the official filing date.

(b)(1) In addition, except for issuing carriers filing tariffing fees electronically, for all tariff publications requiring fees as set forth in part 1, subpart G of this chapter, issuing carriers must submit the original of the cover letter (without attachments), FCC Form 159, and the appropriate fee to the Mellon Bank, Pittsburgh, PA at the address set forth in § 1.1105 of this chapter. Issuing carriers submitting tariffing fees electronically should submit the Form 159 and the original cover letter to the Secretary of the Commission in lieu of the Mellon Bank. The Form 159 should display the Electronic Audit Code in the box in the upper left hand corner marked "reserved." Issuing carriers should submit these fee materials on the same date as the submission in paragraph (a) of this section.

(2) International carriers must certify in their original cover letter that they are authorized under Section 214 of the Communications Act of 1934, as amended, to provide service, and ref-

erence the FCC file number of that authorization.

(c) In addition to the requirements set forth in paragraphs (a) and (b) of this section, the issuing carrier must send a copy of the cover letter with one 3½ inch diskette or CD-ROM containing both the complete tariff and any attachments, as appropriate, to the Secretary, Federal Communications Commission. In addition, the issuing carrier must send one diskette or CD-ROM of the complete tariff and a copy of the cover letter to the commercial contractor (at its office on Commission premises), and to the Chief, Tariff and Pricing Analysis Branch. The latter should be clearly labeled as the "Public Reference Copy." The issuing carrier should file the copies required by this paragraph so they will be received on the same date as the filings in paragraph (a) of this section. In cases where the a single diskette or CD-ROM does not provide sufficient capacity for the carrier's entire tariff filing, the issuing carrier may submit two or more diskettes, or two or more CD-ROMs, as necessary.

All transmittal letters should briefly explain the nature and purpose of the filing and indicate the date and method of filing of the original cover letter, as required by § 61.20(b)(1) of this part.
